

Learn 2 Live Youth Clinic

Farley Street, Nether Wallop, Stockbridge, Hamps, SO20 8EL

4. Policy

4.1 Complaints

- | Learn 2 Live Youth Clinic understands complaints to be an expression of dissatisfaction requiring a response, communicated verbally, electronically, or in writing. Complaints may be made by any Fellow, their family or advocate acting on their behalf, with their consent or in their best interests
- | Learn 2 Live Youth Clinic takes complaints seriously. We will aim to put things right that have gone wrong and learn lessons to avoid the problem happening again. This policy sets out the framework for how Learn 2 Live Youth Clinic will achieve this. The detail of how Learn 2 Live Youth Clinic will do this will be found in the associated procedures
- | Learn 2 Live Youth Clinic will comply with legislation, national guidelines, regulation and best practice when managing complaints and suggestions. A systematic approach will be taken with all aspects of complaints and suggestions
- | Complaints made or concerns raised by staff will be addressed via the grievance process if the complaint or concern relates to them individually, or via the Whistleblowing procedure where a protected disclosure is made
- | Learn 2 Live Youth Clinic understands its statutory obligations in respect of the Duty of Candour and will ensure it follows the agreed policy and procedure

4.2 Learn 2 Live Youth Clinic will ensure that its complaints and compliments process is fair and transparent and does not discriminate directly or indirectly because of the following:

- | Age
- | Being or becoming a transsexual/transgender person
- | Being married or in a civil partnership
- | Being pregnant or on maternity leave
- | Disability
- | Race including colour, nationality, ethnic or national origin
- | Religion, belief or lack of religion/belief
- | Sex
- | Sexual orientation

The complainant will feel free to complain without fear of reprisal and will be treated with courtesy, respect and compassion. Learn 2 Live Youth Clinic will ensure that the process for how to make a complaint and the feedback given to the complainant are provided in a way that meets the Accessible Information Standard and are in a format that the Fellow can understand.

4.3 Seeking Views and Engaging with Fellows

Learn 2 Live Youth Clinic will seek out opportunities to obtain feedback from Fellows and stakeholders. Learn 2 Live Youth Clinic will act with sensitivity, integrity and professionalism by treating individuals who do complain or make a suggestion with compassion, courtesy and respect. Learn 2 Live Youth Clinic will protect the Fellow's right to confidentiality. Learn 2 Live Youth Clinic will ensure that alternative methods of communication are available so that the complaints and suggestions procedures are accessible for Fellows who experience difficulties with communication or whose first language is not English.

Staff will undertake training on how to manage complaints in line with their roles and responsibilities.

4.4 Learn 2 Live Youth Clinic understands that it can be difficult to separate a complaint from a concern and, therefore, Learn 2 Live Youth Clinic will follow this policy when there is any dissatisfaction with the service.

4.5 A full record will be held of all complaints received regardless of the level of seriousness and means of communication. This approach allows an open and transparent culture around raising concerns in the earliest stage to allow resolution. A record of the complaint will also be held in the Fellow's care file and will be reported in line with contractual or regulatory requirements.

4.6 Safeguarding Concerns

Where a complaint or concern is raised that relates to a Fellow being harmed or likely to be harmed, Learn 2 Live Youth Clinic will follow its Safeguarding Policy and Procedures in addition to the complaints procedures, seeking advice and guidance from the Hampshire County Council Safeguarding Adults Team

and escalating concerns in line with Hampshire County Council procedure. Learn 2 Live Youth Clinic will also notify the CQC in line with its statutory duty.

4.7 Roles and Responsibilities

All Staff

It is acknowledged that all staff working within Learn 2 Live Youth Clinic may be presented with an individual wishing to raise a concern or complaint at any time. Therefore, staff need to be able to manage this in a sensitive, structured and timely manner. In order to do this, staff will:

- | Be trained on induction and as a routine measure to ensure knowledge is embedded and refreshed around the complaints procedure
- | Have access to the complaints procedure
- | Be provided with the opportunity to reflect and learn from complaints as a means of developing and driving quality care
- | Appreciate that any feedback from Fellows or their representatives that is of concern needs immediate resolution, where possible, to their satisfaction. Care Plans will be updated to reflect the planned changes to care and Peter Crascall (Or Anna-Louise Cawood) informed of the feedback. Failing to do this may result in a complaint
- | Be clearly advised that, when presented with a complaint, swift escalation to management is necessary and that purposefully withholding or concealing concerns expressed by Fellows or their representatives may lead to disciplinary action

Management Team at Learn 2 Live Youth Clinic

- | The management team at Learn 2 Live Youth Clinic is responsible for ensuring compliance with this policy, regulations, improvement planning and for having arrangements in place to provide relevant reports and information regarding complaints
- | Peter Crascall (Or Anna-Louise Cawood) is the main point of contact for the receipt, investigation and management of complaints within Learn 2 Live Youth Clinic. However, this may be delegated to a senior member of staff within Learn 2 Live Youth Clinic who holds the experience, knowledge and competence to investigate and manage complaints
- | Learn 2 Live Youth Clinic will ensure the procedure for raising a complaint is accessible and displayed prominently in Learn 2 Live Youth Clinic, on the website of Learn 2 Live Youth Clinic and in Fellow information and guides. Alternative languages and formats will be available on request

4.8 Compliments and Suggestions

Learn 2 Live Youth Clinic welcomes compliments and suggestions and recognises their importance in celebrating and recognising the success of its service and opportunities for improvement. We will engage with a wide range of stakeholders in addition to Fellows to support service development and improvement. We will share feedback with our staff.

4.9 One Complaint, One Response

Learn 2 Live Youth Clinic will follow the [Local Government and Social Care Ombudsman best practice](#) and, where Fellows are receiving services from more than one organisation, it will ensure they can make a complaint to anyone and be provided with a single response following a joint investigation.

5. Procedure

5.1 Raising Complaints

A complaint can be received by Learn 2 Live Youth Clinic either verbally or in writing and can be made by:

- | Fellows
- | Someone acting on behalf of a Fellow and with their written consent, e.g. an advocate, relative, Member of Parliament
- | Someone acting on behalf of a Fellow who is unable to represent his or her own interests, provided this does not conflict with the Fellow's right to confidentiality or a previously expressed wish of the Fellow

Learn 2 Live Youth Clinic will ensure that Fellows are given information on how to make a complaint and the process once a complaint has been made, including any agreed timescales.

5.2 Time Limits for Submitting a Complaint

Complaints should be submitted within 12 months of the incident or concern arising.

The time limit, however, can and should be waived, if:

- | It is still practical and possible to investigate the complaint (the records still exist and the individuals concerned are still available to be questioned, etc.) and
- | The complainant can demonstrate reasonable cause for delay in making the complaint

It is at the discretion of the manager of the service if the time limit can be set aside.

5.3 Complaints Procedure:

Step 1

When a complaint is raised to staff, staff will make an effort to resolve it immediately to the satisfaction of the complainant.

Step 2

Staff will apologise for the fact that there was the need to complain in the first instance and explain the complaints process as described in the procedure steps.

Step 3

Staff will report the complaint to the most senior member of staff on duty and the complaint will be logged.

Step 4

Formal acknowledgement of all complaints received (whether verbal or written) will be sent within 3 working days to the complainant. This could be via letter or email. Learn 2 Live Youth Clinic will have a local system in place to manage out-of-hours and weekend complaints received.

The acknowledgement will include:

- | An invitation to meet and discuss the complaint
- | Who will be investigating the complaint
- | How the investigation will be handled - the response should state what the investigation will be focused on
- | A time limit for the investigation to be concluded. This should be 28 days. However, some cases may take longer and the complainant will be made aware of this
- | The complaints procedure and contact details of bodies that can be accessed in the event of dissatisfaction with the outcome of the investigation

Step 5

Following a full investigation, a response letter will be sent and this will include the following:

- | A summary of the issue from the complainant's point of view
- | Details of the evidence and sources consulted in order to investigate the issue fully and fairly
- | A presentation of the findings for each issue clearly and concisely described
- | A conclusion, stating clearly whether the issue is "upheld", "partially upheld" or "not upheld"; unless it is ineligible, in which case the reason for this will be given, e.g. out of time or out of jurisdiction
- | An explanation of the outcome and whether any remedial action or learning points arise from the investigation of that issue
- | An apology where the issue is upheld and shortcomings or failings have been found
- | The complainant's rights if not satisfied with the outcome to refer to The Local Government and Social

Care Ombudsman

- | A signature from the responsible individual or sent by email in their name

Step 6

The complaint will be closed once confirmation has been received that there is satisfaction with the outcome. In the event of dissatisfaction, Learn 2 Live Youth Clinic will support the complainant to access further support (refer to section 5.6)

5.4 The Complaints Log

A record will be held of all complaints raised and contain the following information:

- | Each complaint received
- | Subject matter and outcome
- | Details of any reason for delay where investigations took longer than the agreed response period
- | The date the report of outcome was sent to the complainant

Where complaints relate to a Fellow, a copy of the complaint will be held in their care records so that the Fellow can reflect on the recommendations.

Where complaints are raised by telephone, the log will include the date and time of the call and this will be followed up with written confirmation of the areas discussed.

Where a complaint indicates the potential abuse of Fellows, safeguarding policies will be followed as per local authority expectation and necessary notifications made to the regulatory body. Where care is commissioned by Hampshire County Council, their reporting procedure for notifying them of complaints will be followed.

Where complaints are to be shared as part of learning, the complaint will be anonymised so there is no identifiable Fellow information, in line with UK GDPR and data protection law.

5.5 Investigations

All investigations will be managed by using the following approach:

- | Investigating the fact
- | Assessing evidence
- | Review of records
- | Interviewing those involved

Where necessary, advice and support will be sourced via senior managers within the organisation. The complaint must be investigated by a member of staff with the knowledge, experience and seniority to undertake the investigation robustly.

Confidentiality of information will be considered at all times and staff will adhere to the confidentiality policies and relevant codes of practice.

If an investigation of a complaint results in disciplinary action against staff within Learn 2 Live Youth Clinic, the complaint will continue to its conclusion. The complainant will be informed that the investigation has led to the disciplinary process, but the details of the outcome or ongoing investigation will remain confidential.

5.6 Unresolved Complaints

There are many bodies that can support with, or will need to be informed of, unresolved complaints and it is important to note that, helpline opening times and ways of communicating may vary across each organisation:

1. The Care Quality Commission

The Care Quality Commission will not investigate complaints on behalf of individuals but does like to be informed of any concerns regarding a care provider, such as poor care that has been seen or experienced. Information given to the CQC will help to prevent others from going through the same experience and can be fed back via:

- | Website www.cqc.org.uk
- | Email enquiries@cqc.org.uk

childrens.services@hants.gov.uk**6. Professional Bodies**

If a complaint involves the serious misconduct of a healthcare professional, their relevant professional body can be informed and this is determined on an individual case basis in discussion with the Registered Manager.

For any external bodies managing complaints, Learn 2 Live Youth Clinic will work with the external body providing information as requested, within any agreed timescales expected.

5.7 Compliments

Receiving compliments is an opportunity to celebrate and recognise success. Learn 2 Live Youth Clinic will ensure that:

- | All compliments are shared with staff and displayed in a public area to highlight good practice
- | Compliments are anonymised or permission is sought before displaying them
- | The number of compliments received is logged as part of a quality assurance programme
- | Verbal, positive feedback from Fellows and relatives is also deemed a compliment and will be recorded and shared with colleagues
- | Compliments form a core agenda item at staff, Fellow and relative meetings

5.8 Suggestions

Suggestions can be made verbally or in writing and generally are in response to seeking a means of changing practice for the better.

- | Suggestions are not complaints, but in some circumstances, if they are not considered or actioned, they could lead to a complaint
- | When suggestions are raised in meetings or as part of a conversation, these will be documented and then outcomes of such suggestions recorded to show consideration

**Learn 2 Live Youth Clinic**

Farley Street, Nether Wallop, Stockbridge, Hamps, SO20 8EL

- Staff will be encouraged to share their suggestions, or suggestions received by relatives and Fellows, with Peter Crascall (Or Anna-Louise Cawood)
- Peter Crascall (Or Anna-Louise Cawood) will consider implementing a suggestions system to encourage comments from Fellows, staff and visitors

5.9 Audit and Evaluation

Learn 2 Live Youth Clinic will monitor, review and analyse all information received about the service as a means of continuously reviewing performance, quality and safety.

Learn 2 Live Youth Clinic will also:

- Share themes and trends with Care Workers working for Learn 2 Live Youth Clinic
- Ensure that staff are trained to deal with complaints and understand the procedure for managing complaints

5.10 Anonymous Complaints

Anonymous complaints will be investigated in the same way as named complaints. They will be logged and any corrective action necessary will be taken and also logged.

5.11 One Complaint, One Response

Where more than one organisation is involved in the Fellow's care, they, or their representative, will be able to complain to any of them and Learn 2 Live Youth Clinic will contact the other organisations, carry out a joint investigation and provide a single joint response. Fellows must not have to contact each organisation separately.

If someone complains and Learn 2 Live Youth Clinic is not responsible for the care or service complained about, rather than turning the complainant away, Learn 2 Live Youth Clinic will share the concerns with the correct organisation(s). It will be necessary to obtain the individual's permission to do this. If the person prefers that their complaint is not shared with another organisation (or organisations), Learn 2 Live Youth Clinic will signpost them to the right organisation instead and provide the person with their contact details. Learn 2 Live Youth Clinic will follow [LGO guidance](#) for managing this.

5.12 All efforts will be made by Peter Crascall (Or Anna-Louise Cawood) to resolve all complaints within Learn 2 Live Youth Clinic. If a Fellow does not wish to raise a complaint directly to management within Learn 2 Live Youth Clinic, in the first instance, staff will try and sensitively establish their reasons why and aim to resolve and address any concerns that present.

Decisions to raise complaints outside of Learn 2 Live Youth Clinic will be fully respected and the Fellow will be supported to raise their complaint with the commissioner of the service or to seek the support of an independent advocate or representative. Staff can also refer to section 5.6 for a further list of organisations that can be accessed.

Fellows can also be signposted to [Citizens advice guidance](#).

5.13 Vexatious Complaints

Occasionally, Learn 2 Live Youth Clinic may receive complaints that are vexatious in that they cause considerable disruption to the work at Learn 2 Live Youth Clinic, disproportionate cost and time to handle, and impact the wellbeing of staff (because of the way the complaint is made or because of its repetitive nature).

Learn 2 Live Youth Clinic will ensure that it meets the requirements of the Equality Act 2010 to make 'reasonable adjustments' for disabled Fellows. In some circumstances, Fellows may have a disability that makes it difficult for them to either express themselves or communicate clearly and/or appropriately. Where there is an indication that this may be the case, Learn 2 Live Youth Clinic will consider the needs and circumstances of the Fellow or complainant in the first instance and use this information to inform any decisions that are made.

Where appropriate, Learn 2 Live Youth Clinic will consider complaints to be vexatious, but would not label an individual complainant as vexatious. Even if Learn 2 Live Youth Clinic decides that an individual's complaint about the service is vexatious, that does not preclude that person from making a formal complaint. Learn 2 Live Youth Clinic would still consider any such complaints in line with the usual procedures, as outlined in this policy.

To help decide whether a complaint is vexatious Learn 2 Live Youth Clinic will consider the full history and context of interactions with the individual making the complaint, and will look at both the nature of the complaint and the manner in which it is made. The particular issues that will inform a decision will include whether:

- The primary purpose and/or effect of the complaint is to disturb, disrupt and or/pressurise Learn 2 Live Youth Clinic, its staff or an individual member of staff

Learn 2 Live Youth Clinic

Farley Street, Nether Wallop, Stockbridge, Hamps, SO20 8EL

- | The primary purpose and/or effect of the manner in which the complaint is made is to disturb, disrupt and or/pressurise the Learn 2 Live Youth Clinic , its staff or an individual member of staff
- | The complaint is otherwise clearly unreasonable

If at any point in the handling of a complaint a member of staff believes it meets the criteria to be deemed vexatious, it must be referred to the Registered Manager with a summary of why it is thought to be vexatious.

Peter Crascall (Or Anna-Louise Cawood) will consider the complaint, seek external advice if appropriate, and will either declare the complaint as being vexatious or not. Where a complaint is not deemed to be vexatious it will be returned to the appropriate point in the complaints handling process.

If a complaint is deemed to be vexatious, the Registered Manager will respond directly to the complainant explaining why it is thought to be so and will explain that the complaint will be closed with no further action.

The Registered Manager will also consider if the making of a vexatious complaint also requires the application of a restriction on communication following unreasonable behaviour.

The decision to declare a complaint as vexatious will be recorded in the complaints register for future reference.

Any declaration that refers to the specific complaint being vexatious and any further complaints from the same individual will still be considered.

If any individual wishes to challenge a decision made in relation to this policy, and all attempts to resolve the complaint locally have been unsuccessful, details of the Complaints Team of Hampshire County Council and Parliamentary and Health Service Ombudsman (PHSO) will be shared with the complainant.
